Dear Family of Believers,

RE: The Church repents for the wrongs of the past - Will you be a part?

This is without a doubt one of the most important letters I have ever written.

Please note: We are NOT asking for money.

Purpose:

This is an invitation to help pave the way for the next move of the Lord - the ingrafting of the Jewish people back into the olive branch. The purpose of this letter is to seek your involvement in an online petition apologizing to Israel for all the atrocities they have endured by The Church, our ancestors, Believers' organizations, and by our respective nations. We would like to have the petition circulated throughout the churches, denominations, Christian Television and radio, to show Israel that we, the believers in Yeshua/Jesus love Israel and her people, the Jewish nation.

A Blessing for You and Your Church:

Genesis 12:3 says of the descendants of Abraham, "I will bless those who bless you and curse those who curse you." At the drafting of this letter, the online petition currently has about 1,100 signatures. We need your help to cause this petition to show our support for Israel in a major way. Will you please sign the petition and encourage your church, denomination, organization, friends and family to do the same?

A Gift For You and Israel:

On a newly released CD Laralyn RiverWind composed and will perform at a concert to celebrate Israel's 70th anniversary, is a song called "Our Kiss to Israel." The petition will be presented along with the song. We are GIVING AWAY this song to everyone. It is available as a digital download at www.OurKissToIsrael.com.

Why apologize?

Some may question why we need to apologize. "I never did anything against the Jewish people." In 1st Samuel chapter 25 there is a precedence set when Abigail fell on her face in front of David and begged his forgiveness for her husband's foolish behavior and in doing so stopped David from wiping out Nabal's entire family. In Exodus 32 Moses begged Adonai not to bring disaster on His people because of their sin. We, too, may repent to our Lord for the actions of those who went before us and apologize to the descendants of those affected by their actions. This is what Abigail and Moses did.

Having Humble Hearts

Please, search your hearts and remember Romans 11 vs. 17 - 24. These branches were cut off because of their lack of trust. However, we keep our place because of our trust. So, we must not be arrogant but must maintain ourselves in God's kindness. Otherwise, we, too will be cut off. How much more these natural branches will be grafted back into their own olive tree. Let's pave the way to that grafting by showing the love of Yeshua to those whom He dearly loves.

Please. Sign [the petition](#) and send it on to your leadership.

Large Viewing Audience

This year, May 12th, in Jerusalem a music concert is taking place to celebrate the 70th anniversary of Israel's rebirth as a nation. Various artists will be performing during this time and the RiverWinds of FireKeepers will be presenting the "Our Kiss to Israel" along with its petition. **It will be broadcast live to 180 countries and based on prior years, will reach 500 million viewers. Let's get some signatures before the song release!**

Thank you for your time and for being the voice of our Lord Yeshua (Jesus), helping heal the wounds of the past.

Abundant blessings,

Chief Joseph & Dr. Laralyn RiverWind
